

# Global Mosaic Malaysia

Equipping Leaders for the Future

15B-17-2 Mont' Kiara Pines, Jln Kiara 1, Mont' Kiara, 50480 Kuala Lumpur

**Eileen Aveni**  
LMSW, ACSW, BCD

Eileen is a psychotherapist, consultant, speaker, and educator specializing in short & long-term treatment of Post Traumatic Stress Disorder in adults and children, depression, sexual abuse, spiritual abuse, sadistic and mind-controlled abuse, ritual abuse, grief & loss, borderline pathology, and dissociative disorders. She was co-founder and Clinical Director of a regional interdenominational counseling NGO for many years, worked in psychiatric & medical hospitals, consulted politically on ritual abuse legislation and with law enforcement and community groups on abuse survivor issues. She is also a radio & television guest speaker.

Eileen is a CIGNA Behavioral Health EAP speaker to corporations on such topics as: Drug & Alcohol Awareness for Managers, Avoiding Job Burnout, Conflict Resolution, Managing Change, Helping Children Cope with Traumatic Events, Shift Work Strategies, Stress Management, etc.

She was a software technical writer and involved in instructional training design for the Univ. of Michigan Internet technology project and their subsequent Internet company spin-off. Later she helped establish and manage NextHop Technologies, Inc., based in Silicon Valley, CA. With her passion for entrepreneurial leadership and innovation she launched or consulted for businesses including professional, retail, NGOs, social media, and commercial real estate to achieve sustainable growth.

Eileen was elected to Who's Who Among Human Service Professionals and the International Who's Who for Entrepreneurs for Outstanding Achievement and Leadership. She is a degreed professional musician and has travelled extensively as a singer/guitarist.

## AN OVERVIEW OF COUNSELING VS. DELIVERANCE

Date : 5<sup>th</sup> November 2011 @ Saturday

Time : 9:30 – 12:00 noon

Venue : Hall 3, Dream Centre (DUMC)  
2 Jln 13/1, Seksyen 13, 46200 Petaling Jaya  
Selangor Darul Ehsan, Malaysia

- Thorough exploration of the components of psychological counseling and when it is appropriate to provide it.
- Thorough exploration of spiritual warfare & deliverance interventions and when it is appropriate to provide them.
- A presentation of how to determine which approach to use, counseling vs. spiritual warfare interventions, and the timing of those approaches in a given situation.
- Case studies will be examined to illustrate how to think about these interventions, and what worked, what did not work, and why.
- Examination of the issues involved when providers are only versed in one approach and not both.
- The important relationship between healthy congregants and a healthy church.
- Overview of how to determine your own background and training.
- How to work as a team with others who may have an expertise that you do not have.
- When it is appropriate to hand off a person to someone else who may have the training that you may not have.
