Professional expertise in equipping missionaries, expatriates and nationals. Qualified and experienced in cross-cultural psychology and human resource management.

---

**InTransit** is an institute for psychological services to missionaries and other expatriates and their sending agencies. InTransit, which was founded in 1995 as ITMP, combines psychological and cross-cultural experience and knowledge, guiding and supporting expatriates in the process of transition and adjustment.

**IN-ZICHT consulting** offers advice, coaching and training to organisations and individuals. Our conviction is that people function better when they know their talents and skills. Our services focus on developing effectiveness with joy in the personal and work environment.
